

C I R C U L A R.

Wireless Institute
Tasmanian

of Australia,
Division.

It is intended to hold another Field Day on Sunday, 15th. March 1931, and suggestions from members will be welcomed.

The area within which the transmitter is to be located will be a 15 mile radius of Campania, which will include Correll, Bridgewater, Richmond, etc.

It has been suggested that an earlier start be made this time, and when all the parties have assembled an adjournment be made for swimming and an impromptu cricket match be held - "Transmitters" versus "the Rest".

In order that arrangements may be completed in plenty of time it is requested that you inform me on or before Wednesday, 11th. March, ~~xxx~~ if you intend to be present, and whether you could ~~gm~~ obtain a car for the day.

Cost of petrol etc. will not exceed 3s/- for each member attending.

A cordial invitation is extended to any friends who could bring a car, and enjoy the day's outing.

1/3/31.
