EDDYSTONE Guarantee

This Receiver is conditionally guaranteed by us for a period of twelve months from date of purchase by the actual user. In the event of any failure during this period, due to faulty workmanship or material, the dealer from whom the receiver was purchased should be notified. Usually he will be able to rectify the fault.

The dealer reserves the right to make a reasonable charge for labour, obtaining from us any necessary part for replacement free under this guarantee.

A receiver should not be returned to us direct without prior notification. Receivers returned must be sent carriage paid by the sender and we also reserve the right to make a charge for labour and handling expenses.

Any interference or alteration by the owner, during the period of this guarantee, without our consent, renders this guarantee void. The guarantee does not apply to receivers purchased second-hand or at less than our standard list price.

Valves are guaranteed for 90 days. See overleaf for British Radio Valve Manufacturers' valve guarantee.

Guarantee

The B.V.A. Valves used in this receiver are guaranteed by the valve manufacturer for a period of three calendar months from the date of purchase. This guarantee is only given in respect of faulty workmanship and material and does not cover misuse or consequential damage. Claims under this guarantee will only be considered if the valve is returned to the valve manufacturer preferably through the radio dealer from whom the receiver was purchased, supported by proof of the date of purchase of the receiver, as issued by Stratton & Co., Ltd.

To ensure proper examination, the right is reserved to break open any valve, if necessary, without obligation to return or replace.
