AUGUST? 1965

M O N T H L Y B U L L E T I N

PRICE 6d.

PRESIDENT: Mr. T. Allen
VK7AL

TREASURER: Mr. V.F. Dore
VK7JD

SECRETARY: Mr. K. Spiegel
VK7KS

Registered at G.P.O., Hobart, for transmission by post as a periodical.

MEETINGS :

for the month of August :-

N.W. Zone Tues. 3rd at Lakins Hall, Ulverstone at 7.30 p.m.

Headquarters Wed. 4th at 147 Liverpool Street, Hobart

Northern Zone Fri. 13th at 51 York Street, Launceston

Council Mon. 16th at 147 Liverpool Street, Hobart

VHF Group Wed. 18th at 147 Liverpool Street, Hobart

The first three meetings above will have a special film evening comprising selected films from the National Aeronautical and Space administration (N.A.S.A.) on Space Research and Allied Scientific information.

These should be highly interesting and members are requested to make a special effort to attend.

- - - - -

RECIPROCAL LICENCES :

The good furphy is that we now have a reciprocal licence facility available with the U. S. A. This is a welcome arrangement and was introduced on or about 25/6/65.

- - - - -

R.D. CONTEST :

This popular contest is on again - August 14 - 15. Be in it - Help Tassie win it !!!

Most of all - DONT FORGET TO SUBMIT YOUR LOG. Rules? Yes, in

July 65 A.R. Page 13.

SALE :

A considerable amount of good used equipment will be offered for sale at the Club Rooms, 147 Liverpool Street, Hobart on Saturday 7th August between 2 and 4 p.m. No REASONABLE offer will be refused for any of the equipment on display. Come along and bring your folding money.

- - - BARGAINS GALORE - - - If you are disappointed it will only mean that you weren't there!!!

JAMBOREE ON AIR :

We believe that there will be about 25 stations operating in the State this year.

The date — October 16/17 — Keep this weekend clear and assist the Scouts and guides to make Radio friends around the World.

HAMFEST :

The date this year is 27/28 November at the usual venue. We still have to actually confirm the venue, but, judging by what the owner (Mr. Muirhead) has said on the other occasions, we only need ask!!

I believe that the usual gang will be there again on the Friday night what about a few more — make a real weekend show of it!!

YOUTH RADIO CLUB :

Interest is again growing in the State and we now have several new clubs along with one or two older ones which had lapsed owing to transfer of teachers.

Zones are requested to keep in touch with all schools which are interested and to do all in their power to help. Donations of useful equipment would be appreciated.

From these Clubs can come future amateurs, TV and Radio technicians, electronic engineers, and just about any other highly skilled tradesman you might like to mention.

BROADCAST OFFICER :

There is another addition to the ranks responsible for the dissemination of information over the air. Robert Geeves VK7KX has successfully tested his little black box to be used for the re-broadcast of VK7WI.

Thanks Bob.

TECHNICAL ARTICLE :

Owing to the fact that our Editor has been holidaying on the Mainland it is not possible to carry on with the Lee Gunther's "whodunnit" ---- watch for the next thrilling episode in the September edition.

- - - - -

TECHNICAL BOOKS :

These will be available at the next meeting at Headquarters and the Zones will be advised what is available and the exact amount of money to send to secure their requirements.

- - - - -

SUBSCRIPTIONS : to 19th July, 1965.

VK7ZBH, 7BB, G.D. Noble, I Campbell, I. Filby, P.R. Dowde.

- - - - -

FINALE :

I can now appreciate just why the Editor - bless his little heart - always seems to be hollering, yelling, yes, even screaming, for information. It seems that there is a conspiracy or something which prevents the news even filtering through. That well known wireless, once a good source of "dirt", has apparently gone sideband or something.

Anyhow this is it -- all of it -- for this month. E. and O.E.

VY 73

Toni Allen VK7AL
for Bulletin Committee.
