

The International Amateur Radio Union hereby certifies that

CHARLES HARRISON

owner and operator of

VE7GH

has this day submitted to it satisfactory evidence of having conducted two-way communication with other amateur stations in each of the six recognized continental areas of the world—North America, South America, Europe, Asia, Africa and Oceania. This certificate is issued in recognition of his excellent performance, and he is, in addition, authorized to include the letters W.A.C. (Worked-All-Continents) on his station cards and correspondence.
